SPAQP, a 501(c) 3 non-profit corporation, was founded in 1995 as a partnership of citizens, businesses and government to promote better air quality. Its purpose is to:

- Increase public (including businesses) understanding of air pollution impacts.
- Provide alerts on high pollution days.
- Inform the public of health impacts of high ozone and fine particulate pollution.
- Provide guidelines for individual actions that can help reduce exposure.
- Encourage voluntary reductions of air pollution emissions, particularly on Action Days.

We cannot complete our work without the financial, volunteer and actionable support of interested persons and organizations. If you would support the work of the SPAQP, please provide the following information:

I will:

- Receive the daily forecast (sign up at www.enviroflash.info)
- Distribute or promote receiving the forecast within my office or business
- Receive SPAQP newsletters and information
- Support the goals and purpose of the SPAQP
- Become part of Coach AQ's team at the following level

- \$100 SPAQP Team Member
- \$250 SPAQP Team Player
